DEDICATION

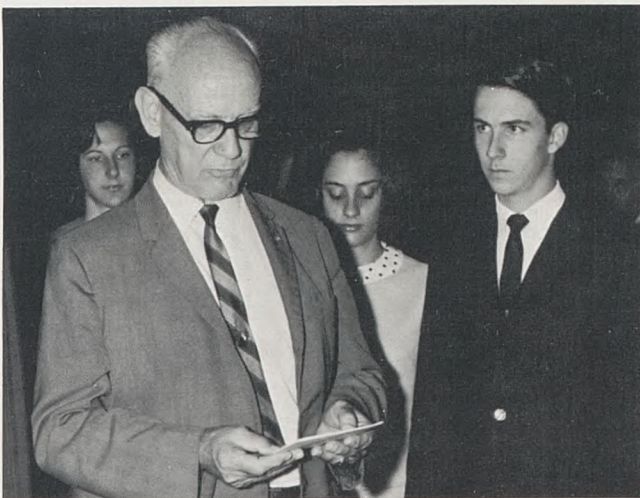

In our three years at Clearwater High School, you have given us understanding and advice. We have admired you as a man, and, moreover, as a friend. In all our endeavors you have directed our paths in the right way. Through your guidance, you have shown us respect for our school, community, and nation. With our future in mind, you have helped us to obtain the knowledge and spiritual support necessary to become responsible citizens. Because of our great respect for you and in appreciation for your unselfish service to us and Clearwater High, we, the class of 1966 dedicate our AQUA CLARA to you, Mr. ROBERT T. GLENN.

MR. ROBERT GLENN

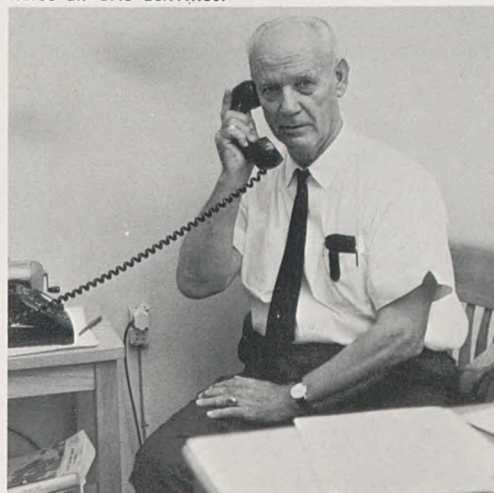

As principal Mr. Glenn coordinates all CHS activities.

One of Mr. Glenn's many duties is attending initiations.

Mr. Glenn always has time to confer with parents.

HIGHLY PRAISED SENIORS ARE PROBABLE

One of the highest honors bestowed upon students of Clearwater High School is the selection of senior superlatives. Twenty-two seniors who represent the most outstanding qualities in various categories are elected by their classmates in the Spring. Every senior homeroom chooses two nominees in each category from which a vote is taken and the superlatives chosen. The winners are not revealed to the student body until the end of the year. Much secrecy surrounds this election which is probably the most interesting and selective opinion vote of the Senior Class of 1966.

NHS RECOGNIZES OUTSTANDING CHS STUDENTS

National Honor Society is a honorary organization of selected students chosen by the faculty of Clearwater High School. Twice a year the club issues invitations at a tapping ceremony. Each member is evaluated on the four qualities of Honor Society, scholarship, leadership, citizenship and service. In addition to various projects, Honor Society provides several services to the school. These include student guides for fall registration, a get-acquainted dance, and supplying members to help new students become familiar with CHS.

CHS EXCHANGES

Each year Clearwater High School is privileged to receive two American Field Service students. This year not only did we have the opportunity to meet Simone Sunyer from France and Regina Keller from Germany but we also sent one of our students, Barry Rutenberg to Uruguay. It did not take us long to get to know Simone and Regina and we will remember their friendship as a lasting and wonderful experience.

EDUCATION

MR. GLENN HEADS FACULTY

His service to this institution has always been of the highest caliber. Under his competent supervision, Clearwater High School has become one of the leading and most efficient schools in the state. Because he is never too busy to help us; never too tired to give us his kindly advice and encouragement; always willing to give his attention to anyone in trouble, Mr. Glenn will always be remembered as one of our truest, finest friends.

ROBERT T. GLENN, Principal

CHARACTER

The prime responsibility of education is the MAKING of MEN. This means citizens, male and female, who *will* find the high qualities of their nature and make every action subservient to them. The development of good character is no simple task. Within the last three decades serious tests have been thrust upon human nature. Human values have been beset by monetary depression, the devastation of wars and the uncertainty of peace. Wide-spread corruption in public office, shirking of civic responsibility, and a lack of moral sensibility in community life exist.

Man's greatest work is the creation of his personality. Man's greatest inheritance is his character. Man's greatest achievement is his character in action. Let us ask ourselves this question: Is our character in action in accordance with God's plan for mankind?

Mr. Glenn works before ...

during ...

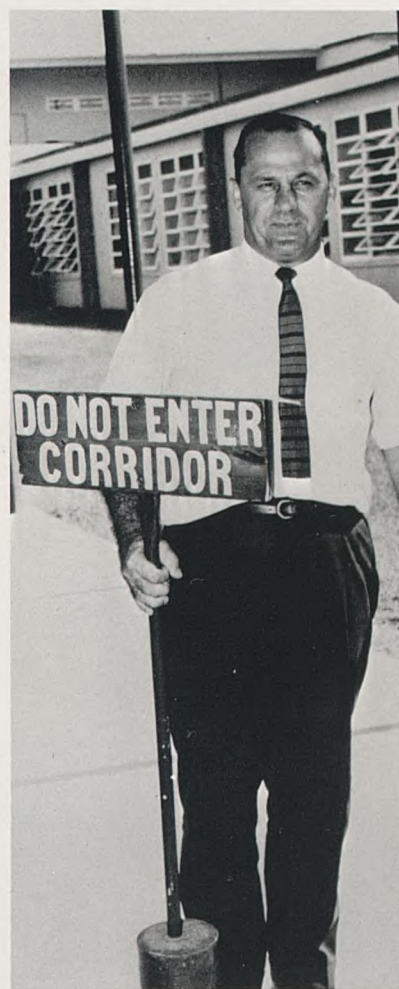

and after school.

DEANS GUIDE STUDENTS THROUGH THE YEAR

Miss Myers and Mr. Justice often confer about students.

Two of the hardest working people at Clearwater High School are Miss Myers, Girl's Dean, and Mr. Justice, Boy's Dean and assistant principal. Working closely with the rest of the administration department, Miss Myers and Mr. Justice assist largely in the fields of attendance, counseling and school relations.

Mr. Justice controls traffic flow during lunch.

Miss Myers is always willing to help.

Miss Myers consults with parents.

Regulating school activities is one of Mr. Justice's many duties.

ADVISORS COUNSEL

Through the facilities offered by the Guidance Department, students can find where their abilities lie, what courses to pursue and investigate plans for the future. Mrs. Kilgore works mainly with sophomores, helping them adjust to a new environment, Mr. Forinash works with junior guidance making schedules for the senior year and Miss Sherrick is responsible for helping students prepare after graduation plans.

Mr. Forinash is busy with student schedules.

Mrs. Kilgore helps acquaint new students with C.H.S.

Miss Sherrick has college information.

OFFICE WORKERS — ESSENTIAL ASSETS OF CHS

Keeping the financial records of C.H.S. is Mrs. Jackson's job.

Mrs. Bowes is always ready to assist.

Mrs. Washburn keeps things running smoothly in the office.

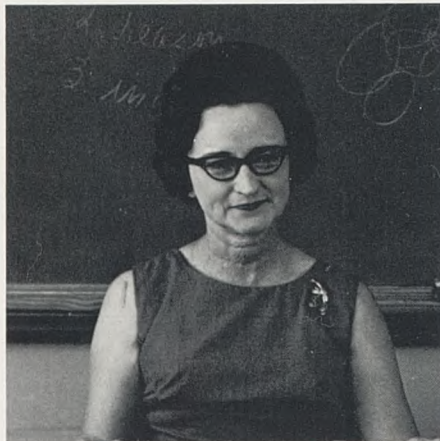

Mrs. Pat Rollings helps with student records.

MODERN MATHEMATICS GIVES STUDENTS BROAD

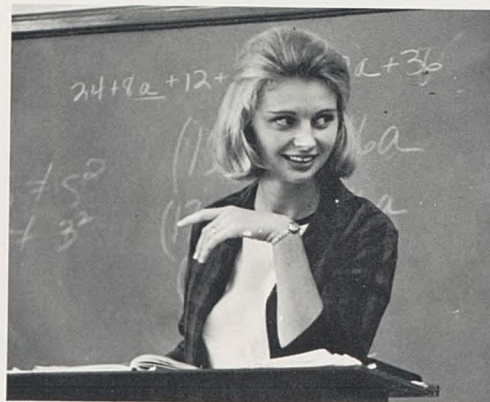

A fundamental knowledge in the field of mathematics is an essential part of every well-rounded student's education. The Mathematics Department of Clearwater High School fully meets these needs in the wide scope of courses offered. A student can begin with elementary mathematics which includes math 10, algebra and geometry and then advance to the more difficult areas of algebra, trigonometry, analytical geometry or linear programming. The recently adopted concepts of "new" mathematics are now stressed in each course.

AQUA CLARA EMANATES NEW LOOK ON

The staff of the 50th publication of the Aqua Clara has produced a new and different book. At first glance, conventional items will be noticed missing, items really of small purpose. This yearbook is not for the immediate year, but for the time distant. We hope it is a book that will help one remember CHS in good and lasting memories.

ENTHUSIASTIC CHEERLEADERS LEAD TORNADO

The Varsity Cheerleaders are one of the most industrious groups at Clearwater High School. Not only do they promote school spirit at various athletic events, but also are responsible for the hall decorations before important school functions. During the fall their enthusiasm can be seen at football games and pep rallies. Basketball games would not be complete without the presence of these girls. Through several projects during the year, the cheerleaders maintain an atmosphere of loyalty and spirit necessary for the unity of the entire student body.

TORNADOES WIN PCC CROWN

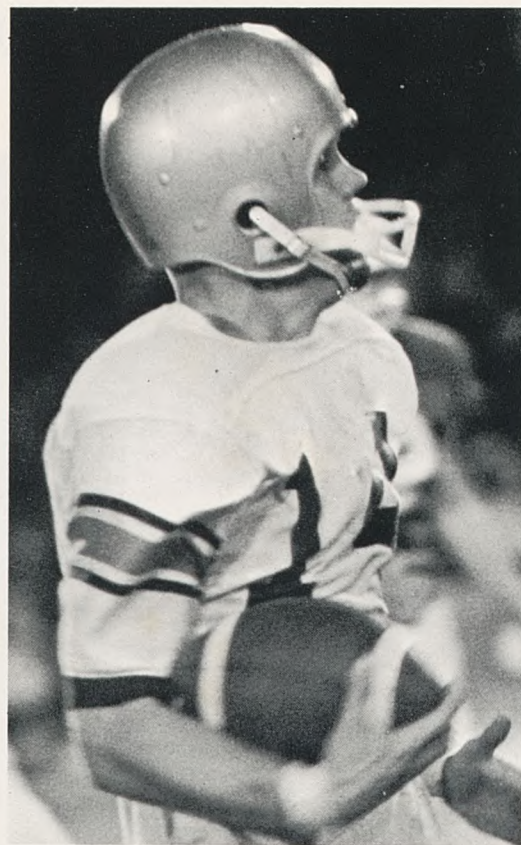

The 1965 football season was indeed a success for Clearwater High as CHS compiled an 8-2 record on way to the Pinellas County Conference championship. The season opened at home in Jack White Stadium with Clearwater playing up-county rival, Dunedin. With Sonny Bobo scoring two touchdowns, the Tornadoes went on to beat the Falcons 14-0 and win the annual Kiwanis Club trophy. Clearwater won over Bishop Barry 21-7 as Bobby Metz led the Tornado attack. The CHS winning streak continued over Tarpon Springs 35-0. Against St. Pete, the Tornadoes racked up their fourth win in a down-to-the-wire thriller 7-0 and earned a 14th rating in the state.

CLEARWATER CONQUERS FOOTBALL FOES IN 1965

In the Northeast game, Clearwater was again victorious as the Vikings were defeated by a 27-12 score. Next, the Tornadoes traveled to Sarasota to play the undefeated Sailors. CHS lost its Region II title bid as Sarasota won decisively 35-6. Another defeat followed with Dixie Hollins edging Clearwater 7-0 in a big defensive battle led by Jim Davis and John Rabin. Happiness was indeed Clearwater's 1965 homecoming game against the Seminole Warhawks. The Tornadoes scored their sixth win with a 14-0 decision. At this point, CHS again led in the PCC race by one game over Dixie.

TORNADOES WIN

As the PCC race tightened, Clearwater met Boca Ciega in a down-county battle. The Tornadoes grabbed an early lead and held on to defeat the Pirates 18-3. In the season's final, Clearwater played arch-rival, Largo, in the game which decided the PCC championship. Clearwater overpowered the Packers from the beginning and clobbered Largo 28-0 clinching the Conference crown. Five Clearwater Tornado players were chosen for the all-PCC team. These included: Brian Bean, Jim Davis, John Rabin, Bruce Brock, and John Van Vliet. Thus, Clearwater's 1965 Football season concluded with an outstanding record and the PCC championship.

"Happiness is a thing called Homecoming" was the theme of Homecoming '65 and the dominant thought of the student body for a week. The selection of the Queen climaxed the evening with Mary Beth Kilpatrick winning the honor. Friday the Homecoming parade preceded the game against Seminole. Clearwater's winning score of 14-0 set the mood for the Homecoming Dance. The Queen and her Court presided over the dance and Homecoming '65 concluded in spirit and happiness.

EPILOGUE

In the 1966 AQUA CLARA, we have tried to capture that special feeling that Clearwater High School holds for each of us. The entire staff has spent months of planning, working and writing in an attempt to represent all of the phases of CHS. Without their cooperation and unselfish service this could never have been accomplished. Many thanks go to Phil Graham Studios for the photography of the book. Appreciation is also extended to Bob Ward for his art work, and Bryn-Alan and Fulmer Studios for their photographic assistance.

As we look back on this year, there are many things which we can remember. There is the attaining of knowledge that will make us better citizens, the security of friendship, the classrooms where so many of our hours have been spent. Through these pages each person can remember something about himself, perhaps, something which he has yet to observe.

Our chance to live . . .

Our freedom of choice . . .

Our opportunity to learn . . .

So much we take for granted.
